Dear Mr Mowatt

Thank you for your letter dated 3 April 2009, copied to the Hon Martin Ferguson AM MP, Member for Batman, about funding for the Kings Road Overpass. As the matter raised falls within my portfolio responsibility, your letter has been forwarded to me for reply.

Between 2008-09 and 2013-14 the Australian Government has committed over \$7.9 billion towards land transport infrastructure in Victoria. This includes \$30 million towards the construction of the Kings Road Interchange on the Calder Highway at Keilor North, which will allow the reconfiguration of the existing at-grade intersections at Sunshine Avenue, Robertsons Road and Calder Park Drive to remove cross-median traffic flow.

The timing for construction of the project will be determined in close consultation with the Victorian Government who will be delivering the works.

Thank you for raising this matter.

Yours sincerely

ANTHONY ALBANESE
